Autism Community Connection

PROJECT LIFESAVER AND SAFETY WEBINAR

**A webinar about safety options
for those with autism.**

In this webinar, you will learn about the Project Lifesaver program and Safety Education for those affected by autism.

Rodney Hayes, Project Lifesaver, White River Township Fire Department will talk about the benefits of the Project Lifesaver program. White River Township Fire Department covers all of Johnson County for Project Lifesaver.

Cara Fast, Director of Safety Education and Outreach, Riley Safety Store, will also discuss about safety items to use in the home as well as additional safety tips.

**September 1, 2021
6:30 PM to 7:30 PM**
